This book put "Cool Stuff Media, Inc. on the map. It quickly became a top selling book. This was a very clear indication that young people—and everyone else—are starving for this practical information.

In the real world, there are certain fundamental skills that are required to win this game of life and most young people are not getting taught these valuable fundamental skills in the classroom or at home. "Cool Stuff" They Should Teach in School addresses these practical and essential life-skills in a fun and entertaining way. The subjects covered in this book include:

- Attitude
- Goal-setting
- Leadership
- Peer Pressure
- Money management (The Banking system, Wall St. basics, Credit Cards)
- Communication
- How to get a job
- How to start your own business
- And much more!

This book is written by young people for young and for that reason it's no surprise why almost everyday we get emails from parents, teachers, and readers thanking us for writing this book. If you're a young person—or anyone who cares about them, this is a fantastic resource for success in the real world.

"I've read a lot of books for young people, but this is the best one yet!" -Jack Canfield, Co-Author, Chicken Soup For The Teenage Soul and Chicken Soup For The College Soul. "This book is a real gem. In my opinion, it's a must read for all young people and anyone who cares about them--parents, friends, grandparents, etc. It's a mentor in a book." - Richard Carlson, Ph.D Author of the Don't Sweat the Small Stuff series of books "If there was only one book to give to your teenager, Cool Stuff should be the one."

- Link Up Parents, Book review

"Cool Stuff They Should Teach In School is a manual all young people should have." - Armchair Interviews, Book review "Dude! Your book changed my life!"

- Shane Underwood, 16

"Thanks again for just writing that book. It's overflowing with such great info for people (like me) getting ready for college... Your book is really a driving force for me to keep going, and to stay focused. You guys rock."

- Mandy Richardson, 17

"Thank you so much for creating an amazing teaching and learning tool. When my students actually look forward to reading in class that is the best day any teacher can have!"

- Mary Luhrs, High School Teacher

“This book is exactly what we needed to meet our course guidelines. Every chapter is relevant and useful for success of today and of the future.”

- Michelle Truong, High School Teacher
